for Windows®

Key benefits

- **Easy-to-use text recognition & document archiving solution**
  Never retype any text and save a maximum of time to scan, recognize, convert and archive all your documents in just a single click.

- **Revolutionary High-Quality Compression technology (iHQC™)**
  Create colored PDF and XPS files up to 5 times smaller than the original image size. Ideal for document archiving!

- **Extended support of portable file formats**
  Turn all your paper documents into searchable PDF and XPS files.
  Convert any PDF into editable text.

- **Multilingual solution**
  The OCR engine recognizes 137 languages (including Asian languages, Russian and Arabic) and the user interface is localized in 28 languages.

- **Output connectors to the Cloud**
  Easy integration with your favorite Cloud services. Upload to Dropbox, Box.net, Google Docs™ and Evernote™ in a single click!.

- **Advanced table recognition**
  Microsoft®'s spreadsheet ML format supported for a perfect table reproduction.

- **Scan to email**
  Using Readiris™ Pro 14 is the easiest way to scan paper documents and automatically send them by email.
