Key benefits

- **Easy-to-use text recognition & document archiving solution**
Never retype any text and save a maximum of time using the SmartTasks buttons to scan, recognize, convert and archive all your documents in just a single click.
- **Revolutionary High-Quality Compression technology (iHQC™)**
Create colored PDF and XPS files up to 20 times smaller than the original image size. Ideal for document archiving!
- **Extended support of portable file formats**
Turn all your paper documents into searchable PDF and XPS files.
Convert any PDF into editable text.
- **Multilingual solution**
The OCR engine recognizes 137 languages and the user interface is localized in 28 languages including Asian languages, Russian and Arabic.
- **Advanced table recognition**
Microsoft®'s spreadsheet ML format supported for a perfect table reproduction.
- **Scan to email**
Using Readiris™ Pro 12 is the easiest way to scan paper documents and automatically send them by email.
