

IRISNotes™ 1

for Smartphones

You write, it shares.

IRISNotes™ 1 for Smartphones sends handwritten notes directly to the user's smartphone via Bluetooth®: it is now possible to share your notes instantly by sending a simple email with your BlackBerry® or Google Phone.

Write your notes on any standard sheet of paper

Share your notes and sketches

- Via Bluetooth® with your smartphone.
- Instantly with your smartphone's contact list!
- No cable & no computer needed, only your handwriting!
