for Mac®

Key benefits

- **Easy-to-use text recognition & document archiving solution**
  Never retype any text and save a maximum of time to scan, recognize, convert and archive all your documents in just a single click.

- **Drop2Read™ - Drag and drop OCR**
  Drag and drop your documents on the Drop2Read™ icon to perform your OCR tasks automatically.

- **Save directly into your favorite applications**
  Send the recognized documents into your favorite applications such as Pages®, Word®, Numbers®, Acrobat®, etc.

- **Revolutionary High-Quality Compression technology (iHQC™)**
  Create colored PDF files up to 5 times smaller than the original image size. Ideal for document archiving!

- **Output connectors to the Cloud**
  Easy integration with your favorite Cloud services. Upload to Dropbox, Google Docs™ and Evernote™ in a single click!

- **Extended support of portable file formats**
  Turn all your paper documents into searchable PDF files.
  Convert any PDF into editable text.

- **Multilingual solution**
  The OCR engine recognizes over 130 languages and the user interface is localized in 13 languages.
