

**PRESS RELEASE**

## **I.R.I.S. Signs its First Distribution Agreement in Finland**

**Louvain-la-Neuve, June 11, 2009** – I.R.I.S. Group, a publicly traded company (Euronext Brussels: IRI), market leader in Intelligent Document Recognition (IDR), Electronic Document Management (EDM) and Optical Character Recognition (OCR) announced today the signature of an agreement with Pericad Oy to distribute its entire OCR office product ranges in Finland.

Taking on the right distributor is a key point in I.R.I.S.' sales strategy to efficiently develop and maintain an active channel network in Finland. Thanks to this win-win partnership, I.R.I.S. ambitions to consolidate its presence on the Northern markets and to commercialize its products and solutions through a wide network of specialized hi-tech stores and Finnish retailers. Pericad Oy will be the first Finnish distributor to put the following I.R.I.S. product ranges on its home market:

### **Readiris™ 12 Home, Pro, and Corporate editions**

*Optical Character Recognition software for flatbed “all-in-one” devices and digital cameras. It retypes scanned documents and image files and converts PDF files in editable Office documents, maintaining the original layout and offering an unprecedented speed and OCR accuracy!*

### **IRIScan™ Express 2 and IRIScan™ Executive 2**

*Scan all your paper documents, from receipts to legal size documents, your business cards and even your personal photos and send them instantly to your favorite applications. The IRIScan™ combines a fully portable & color scanner with an extended software suite!*

### **IRISPen™ mini 6, IRISPen™ Express 6, IRISPen™ Executive 6 and IRISPen™ Translator 6.**

*Insert text, numbers and barcodes instantly into your favorite application only by sliding the pen on printed documents!*

**IRISCard™ mini 4, IRISCard™ Pro 4, IRISCard™ Pro 4 Corporate, IRISCard™ Pro 4 Corporate for MS Dynamics CRM**

*Scan your business cards and send the data instantly to your favorite contact management solutions or synchronize it with your pocket PC or iPod!*

**IRISNotes™ 1.0**

*Pen and mobile note taker. Turn your handwritten notes into editable text!*

Commenting on this new collaboration, Bernard de Fabribeckers, I.R.I.S.' Channel Sales Director EMEA declared: *"We are very happy to collaborate with Pericad Oy. This distribution agreement underlines Pericad's confidence in our technology and their wish to accompany us in our development on the Finnish market, which is of great importance for I.R.I.S. We produce very advanced solutions that answer the companies and consumers very concrete needs: dematerialize their printed documents and transform them into fully editable digital documents."*
