

## PRESS RELEASE

### I.R.I.S. Products and Technologies Fully Compatible with Windows 7

**Louvain-la-Neuve, October 21<sup>st</sup>, 2009** – I.R.I.S., a listed company (EURONEXT Brussels: IRI), specialising in Intelligent Document Recognition (IDR), Enterprise Content Management (ECM) and Optimized IT Infrastructure (ICT), is proud to announce that its retail products and professional solutions are fully compatible with Microsoft's brand-new OS *Windows 7*.

Since its creation, I.R.I.S. has been developing products on the Microsoft platform. Today I.R.I.S. proposes an entire line of "Intelligent Document Recognition" Solutions for corporate users, small businesses and home users, all compatible with the Windows platform. This includes solutions for OCR, Document Compression, Digital Mailroom, Invoice Recognition, Forms and Free-Forms Recognition, Mobile Scanning Devices as well as Document Management Solutions.

According to Bernard de Fabribeckers, Sales Director at I.R.I.S.: *"As a Microsoft Gold Partner, I.R.I.S. has always dedicated a lot of efforts to ensure an excellent compatibility with the different versions of Microsoft Windows, and with Microsoft Office, Microsoft CRM, Microsoft Dynamics and last but not least Microsoft SharePoint. As an example our Document Capture Solutions integrated with Microsoft SharePoint (e.g. IRIS Powerscan™ for SharePoint) provides many Microsoft VARs with an exceptional combination of advanced functionalities at affordable prices."*

Olivier Dupont, Technical Manager at I.R.I.S. Products & Technologies comments: *"On the occasion of the release of Microsoft's new operating system, extensive internal testing was carried out by the I.R.I.S. Quality Control Department, which concluded to the full compatibility between the new platform and the I.R.I.S. software portfolio. This will allow Windows 7 users to fully leverage the power of Windows 7 with the Intelligent Document Recognition technologies of I.R.I.S."*

Phillip Vandervoort, Managing Director of Microsoft Belux comments: *"We have a long term relationship with I.R.I.S., which has been extending constantly its portfolio of Document Capture Solutions on the Microsoft platform. We are glad to see that once again they will be ready on time with all their products and sales force to demonstrate the power of the I.R.I.S. – Microsoft solutions and the power of Windows 7."*

Pierre De Muelenaere, I.R.I.S. Group President and CEO declared *"We are very excited about the release of Windows 7! We believe that this robust platform will be the catalyst for many new projects, in various fields including Intelligent Document Recognition and Document Management. Our corporate solutions are ready to be installed, and the forecast of our small businesses and home products running on Windows 7 looks very promising."*
