The screenshot shows the IRIS website's product registration page. At the top, there is a navigation bar with the IRIS logo and the tagline "Document to Knowledge". The navigation menu includes links for "I.R.I.S. websites", "France - English", "Search", "Products", "Download", "Partners", "Company", "Support", "Careers", and "Shop".

The main content area is titled "Product registration" and includes a sub-header "To register your product fill in the product details below and click on the submit button." Below this, there are two links: "How to find the Serial number?" and "How to find the identification number?".

The registration form is titled "Enter product details" and contains the following fields:

- Product: * Readiris
- Version: Pro 12
- Operating system: Please select...
- Scanner/Printer/All-in-one device:
- Serial Number: ?
- Product ID: ?
- Email: * readiris@irislink.com
- Receive Newsletter & special offers:

A green "Submit" button is located at the bottom of the form. Below the button, there is a note: "If you have any problems with this form contact us : web.sales@irislink.com".

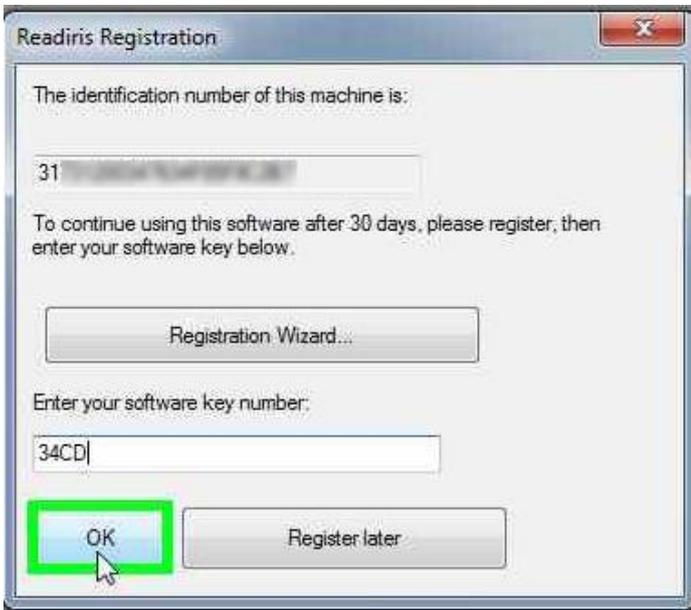

On the left side, there is a "Registration help" section with links to "How to find the Serial number?", "How to find the identification number?", and "How to register Readiris?".

On the right side, there are two boxes: "Registration Benefits" listing "Technical support", "Discounts on new products", "Contacted for special offers", "Latest product releases", and "More..."; and "Products to register" listing "I.R.I.S. products", "OCR software bundled with your scanner", and "HP OCR software".

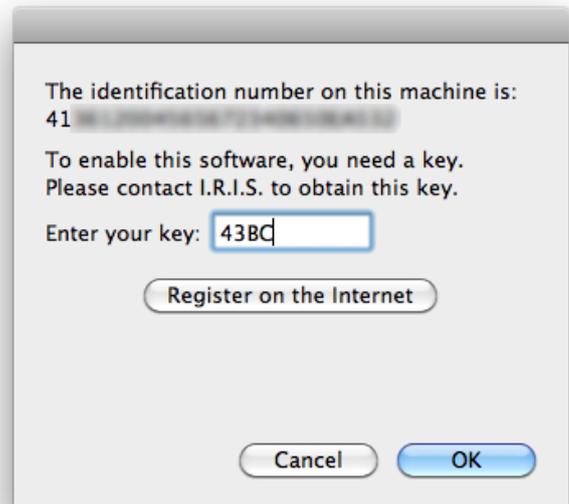

Each time you will reinstall the software, the ID number will change and you will need to request a new software key.

5. Insert the key number that you have received by email, then click OK.
