

REACH-SVHC

Declaration of SCIP notification

I.R.I.S. S.A. supports fully the objectives of REACH (Registration, Evaluation, and Authorization of Chemicals / REGULATION (EC) No 1907/2006). I.R.I.S. S.A. is aware of the obligations associated to a manufacturer or importer in the EC and its amendments to comply with the directive including informing its European Distribution Partners in case substances from the SVHC candidate list above threshold is found in one of our products.

With regard to the requirements of Article 33 candidate list of REACH “Duty to communicate information on substances in articles”, I.R.I.S. S.A. is monitoring the SVHCs (Candidate List of substances of very high concern for Authorization currently released by ECHA) contain in its products. I.R.I.S. S.A. has an ongoing process of gathering declarations, in close relationship with its manufacturers, to ensure that SVHC are not present with a concentration above threshold of 0,1% weight/weight. The information contained herein is based on REACH test results provided by independent third-party testing laboratory or Manufacturer’s declaration of conformity and is, to the best of our knowledge, accurate and reliable as of the date of publication. The current ECHA SVHC candidate listing can be found on <http://echa.europa.eu/candidate-list-table>.

The *IRIScanTM Express 4*, *IRIScanTM Executive 4* and *IRIScanTM Pro 5* product range imported by IRIS S.A. are ***under process of notification*** by the ECHA-SCIP Database for their respective parts containing substances above the threshold of 0,1% concentration of SVHC weight by weight (w/w) at the article level.

As soon as notification process will be finalized, I.R.I.S. S.A. will, within the shortest term, notify by written its European Distribution Partners along with the SCIP notification number as requested by the DIRECTIVE (EU) 2018/851 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 30 May 2018 amending Directive 2008/98/EC on waste.
