Warranty

The information contained in this document is subject to change without notice.

I.R.I.S. S.A. makes no warranty of any kind with regard to this material, including, but not limited to, the implied warranties of fitness for a particular purpose.

I.R.I.S. S.A. shall not be liable for errors contained herein or for incidental or consequential damages in connection with the furnishing, performance, or use of this material.

Safety Instructions

Follow these safety instructions when setting up and using the scanner:

- Read all these instructions, and follow all warnings and instructions given in this document.
- Place the scanner close enough to the computer for the interface cable to reach it easily.
- Never handle the scanner with damp or wet hands, in nomadic mode, or when used as a fixed unit.
- When connecting this product to a computer or other device with a cable, ensure the correct orientation of the connectors.
 Each connector has only one correct orientation. Inserting a connector in the wrong orientation may damage both devices connected by the cable.
- Other than placing a mini SD card or new batteries in the openings provided for the purpose and indicated on the scanner, do
 not insert objects into any opening as they may touch dangerous voltage points or short out parts and lead to a risk of
 electrocution
- Place the product on a flat, stable surface large enough to safely hold the product and the document to be scanned.
- Never disassemble the scanner.
- If the product overheats or produces smoke or an unusual odour, discolours or becomes deformed in an abnormal way, immediately turn off the scanner, remove the batteries where applicable, and disconnect the cables. Stop using the scanner and contact your dealer or I.R.I.S. customer support to receive instructions on the procedure to follow.
- Take care not to drop the scanner or expose it to physical impacts.
- Do not place or store the scanner outdoors, in a car, near heat sources, in locations that are dusty, damp or exposed to impact, vibration, condensation, high temperatures, sunlight, strong light, or rapid changes in temperature or humidity.
- Never attempt to disassemble, modify, or repair the scanner or any of its components yourself.
- Special precaution concerning the model equipped with Wifi transmission or Bluetooth (IRIScan Book Executive 3, IRIScan Anywhere 3 Wifi, IRIScan Pro 3 Wifi, IRIScan Book 5 Wifi, IRIScan Anywhere 5 Wifi, IRISNotes Air 3, IRISPen Air 7, IRIScan Anywhere 6 wifi):
 - Radio waves from this product may adversely affect the operation of other devices, such as medical equipment, measuring instruments in aeroplanes, or automatically controlled devices, such as pacemakers, automatic doors, or fire alarms, and any other device that is sensitive to radio waves.
 - When using this product near such devices or inside a medical facility, follow the directions marked on the devices concerned and the instructions for authorized staff members at the facility, and follow all posted warnings and directions on the device to avoid causing an accident.

FCC Regulations

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual (available at www.irislink.com/start) that may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes and modifications to this equipment not specifically approved by I.R.I.S. may void the user's authority to operate this equipment. Shielded cables must be used with this equipment to maintain compliance with FCC regulations.

IC RSP-100

Hereby, I.R.I.S. S.A. declares that their "IRIScan™ Mouse Wifi, IRIScan™ Book Executive, IRISPen™ Air » devices are in compliance with the essential requirements and other relevant provisions of IC RSP-100 Canadian directive.

European Union Regulatory Notice

Products bearing the CE marking comply with the following EU Directives:

- Low Voltage Directive 2014/35/EC
- EMC Directive 2014/30/EC
- Restriction of the use of certain hazardous substances (RoHS) Directive 2011/65/EU
- RED (Radio Equipment Directive) (2014/53/EC)

CE compliance of this product is valid if powered with the correct CE-marked AC adapter provided by I.R.I.S. S.A. This product satisfies the Class B limits of EN55022, EN55024, safety requirements of EN 60950 and ROHS requirements of EN50581.

Disposal of Waste Equipment by Users in Private Households in the European Union

This symbol on the product or on its packaging indicates that the product cannot be disposed of with your other household waste. Instead it should be sent to appropriate facilities for recovery and recycling in an effort to protect human health and the environment. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your household waste disposal service or the shop where you purchased the product.
